

BRIGHSTONE VILLAGE SHOP

THE WIGHT PLACE FOR LOCAL PRODUCE!

We hope you had a good Christmas and New Year and were able to take advantage of our various services over the festive period. With spring now nearly sprung we have some exciting new products available in the shop and after the success of the Christmas market it will be returning on Saturday 19th February in the form of a Mini Market. This will again offer you the chance to taste and try while you buy a varied range of products; including a number of our new items and also have a chat with some of our producers and providers. We look forward to seeing you there!!

FISH FRIDAY

We have restored Fish Friday, with our traditional offering of a selection of fresh fish rich in Omega 3, supplied by Phillips Fine Foods. Pre-orders are welcome and will be made available for collection on the day. Phone or visit to place your order.

FRESH FRUIT & VEG BOXES

After their success over the Christmas period we are; at popular request, introducing fresh fruit and veg boxes on a regular basis. These boxes will be available in large and small sizes and contain a selection of hand-picked produce, available for collection or delivery at your convenience. If you would like to be part of this scheme please stop in and discuss your needs with us.

SHOP WEBSITE

Our website is now fully operational at www.brighstonevillageshop.co.uk and we will be doing our best to keep it up-to-date with offers, events and new products. You can contact us directly through the website with your feedback and orders.

THE VILLAGE KITCHEN

It is with great excitement we can announce the launch of the all-new ready-meal range from The Village Kitchen. Made locally by Tess Barlow, who already provides us with the delicious Quirky cakes, the range will offer the best of home-cooking. A selection of soups and a fish-pie are now available in the shop and we are looking forward to the next addition.
